Safe Cell Phone
Challenge!

Our company takes the **Top of the World Travel Safe Cell Phone Challenge** and commits to making our vehicles 'safe cell phone zones'.

90% of our employees have taken the pledge and made the commitment to do one of the following safe driving practices:

- We will not text while driving.
- We will not text while driving and only use handsfree calling when we need to speak on the phone while driving.
- We will not text or use our phone while driving. If we need to use our phone, we will pull over to the side of the road.
