

Take the

Top of the World Travel Safe Cell Phone Challenge!

Top of the World Travel wants to keep you safe.

We are raising awareness on the dangers of driving while distracted and we hope all Northern businesses will encourage their employees to make the commitment and take the safe cell phone pledge.

Enter your business today and be entered to win the grand prize of a trip for 2 to watch the Edmonton Oilers. Your business will also receive exposure across the NWT and Nunavut in a variety of media. Download the forms, have at least 90% of your staff sign the commitment form and bring the forms into a local Top of the World Travel office or mail them in.

Statistics show that driving while distracted is just as deadly as driving drunk, and texting while driving is twice as likely to cause an accident.

Help us keep our communities safe and make the pledge.
